Notes from our Families

Dear Seeds of Hope, Thank you from the bottom of our hearts for the kindness you have shown our family. Thank you for the mattress, toys for our girls, gas cards, grocery gift cards, movies, and vacation to the coast. We have loved every minute of playtime, every minutes of unexpected vacation, and every night's rest. Your generosity has touched our hearts and created lasting memories to see us through these trying times. Thank you! - Seeds of Hope family

During a really scary time in your life, they just really want to support you as a person. The foundation has really stuck with us the whole time. -Beth-

Without their support, I think there would have been a lot more fear. Because we knew they would be there to help if we needed it. -Willamette Valley Cancer Foundation Client-
